INNER LOOPS

Drawn to an easier trail?

The Inner Loop trails are a great place to start. Located closest to the village, these trails are groomed with a snowmobile and a Yellowstone track setter and are perfect for classic skiing.

Being relatively flat, the Inner Loop trails make an excellent place to learn how to ski, test out the snowshoes or try out a fat bike. These are the Trail Networks most popular trails.

NORDIC TRAIL SYSTEM

Panorama's Nordic trails start in the the lower village at the Adventure Centre. It can be easily accessed via the Village Gondola or by car.

TRAIL FEES

Trail Passes are required for all trail activities: Nordic skiing, snowshoeing and fat biking. Passes can be purchased onsite at Guest Services and Central Check In.

OUTER LOOPS

Want to tap into some of the best classic and skate skiing Panorama has to offer?

Head to the Outer Loop trails. These trails are groomed with a full-size snowcat and offer a mix of green, blue and black trails with multiple loop options. Don't forget to pop into Guest Services in Ski Tip Lodge first to pick up a Trail Pass and find out the latest trail conditions! Lunch and dinner can be purchased at Cliffhanger Restaurant. Brought your own snacks or lunch? Head to one of the trailside cabins -- Pentagon Hut or Hale Hut -- to warm up.

ETIQUETTE

Panorama is happy to provide trails for all types of activities.

However, keep in mind that the classic Nordic track is for skis only! Also, the trails are especially soft after they've been groomed, please choose another trail if you notice your tracks are leaving large ruts. Thanks for your cooperation!
